

The whole universe also worships its Lord, for all creatures glorify and praise the Lord. The Almighty said: {Whatsoever is in the heavens and whatsoever is on the earth glorifies Allâh}. [Al-Jumu'ah:1]

and they also bow to His greatness. The Exalted and Most Praised says: {See you not that to Allâh prostrates whoever is in the heavens and whoever is on the earth, and the sun, and the moon, and the stars, and the mountains, and the trees, and Ad-Dawâb (moving living creatures, beasts, etc.), and many of mankind? But there are many (men) on whom the punishment is justified}. [Al-Hajj:18]

Even these organisms pray to their Lord in a way that is suitable for them. Allah Almighty says: {See you not (O Muhammad, pbuh) that Allâh, He it is Whom glorify whosoever is in the heavens and the earth, and the birds with wings out-spread (in their flight). Of each one He (Allâh) knows indeed his Salât (prayer) and his glorification, [or everyone knows his Salât (prayer) and his glorification]} [An-Nûr:41]

Does it then befit you to stay away from this majestic scene and consequently be disgraced?! Allah, the Magnificent says: {See you not that to Allâh prostrates whoever is in the heavens and whoever is on the earth, and the sun, and the moon, and the stars, and the mountains, and the trees, and Ad-Dawâb (moving living creatures, beasts, etc.), and many of mankind? But there are many (men) on whom the punishment is justified. And whomsoever Allâh disgraces, none can honour him. Verily! Allâh does what He wills} [Al-Hajj:18]

Will they not ponder?!

“I am surprised at those who look to the sky and watch the grandeur of the creation and then do not believe in God.”

Abraham Lincoln

Former President of the United States
